EXPLANATORY.

THE CLASS CATALOGUE.

In the case of those who received more than one degree from the University, the address and occupation are given where the record of the first degree appears in the catalogue, except in the case of those who received certificates from the Normal School.

The *maiden* names of married women graduates are printed in italics.

The occupation of married women, if not specified, is understood to be that of housewife. Single women may be understood to be "at home" unless information to the contrary is given.

Graduates of the School of Law or the School of Pharmacy whose addresses are given in the catalogue may be regarded as engaged in the pursuits indicated by their schools, unless other information is given. In cases where definite information has been received, however, it is recorded by use of the term "lawyer" or "pharmacist."

THE INDEX.

In the alphabetical list which follows the Class Catalogue, the letters and figures after each name have the following significance:

Figures indicate the year in which the person graduated, and the letter shows in what school of that year his name will be found in the Class Catalogue. In case the person is a graduate of more than one school, information concerning him should be sought as indicated by the first reference. The significance of the letters is as follows: *c* or no letter before the year means that the person is a graduate of the College; *g*, Graduate School; *e*, School of Engineering; *l*, Law; *p*, Pharmacy; *fa*, Fine Arts; *m*, Medicine; *n*, Normal Department.

Married women are indexed both by their maiden names and by their names after marriage; but in the Class Catalogue such persons are placed in the list according to their names *after* marriage.

CONSTITUTION

OF THE ALUMNI ASSOCIATION OF THE UNIVERSITY OF KANSAS.

PREAMBLE.

For the purpose of forming a closer bond among ourselves, and of maintaining our interest in our Alma Mater, we, the alumni of the University of Kansas, do hereby unite ourselves into an association.

ARTICLE I.—*Name.*

SECTION 1. This organization shall be known as "The Alumni Association of the University of Kansas."

ARTICLE II.—*Membership.*

SECTION 1. All persons holding degrees granted by the University of Kansas are, *ipso facto*, members of this association, but active membership shall be limited to those members who have paid their dues for the current year.

ARTICLE III.—*Officers.*

SECTION 1. The officers of this association shall be a president, a vice-president, a secretary, a treasurer, and a board of directors of ten members.

SEC. 2. The president and vice-president shall be elected annually at the regular meeting of the association by a majority vote of all active members present. The directors shall hold office for a term of five years, two being elected each year at the annual meeting of the association, by a majority vote of all active members present. The treasurer and the secretary shall be elected annually by the board of directors.

ARTICLE IV.—*Duties of Officers.*

SECTION 1. The president shall preside at all meetings of the association. In his absence, the vice-president shall take his place.

SEC. 2. The treasurer shall have charge of all funds of the association. He shall pay out money only on the order of the association or the board of directors, under such regulations as they may prescribe. He may be required to give such bond as the board of directors may require.

SEC. 3. The secretary shall be the custodian of the offices and property of the association. He shall have charge of the publications of the association, and shall perform such duties as the board of directors may prescribe. He shall give such time to the duties of his office and shall receive such compensation for his services as the board of directors shall determine.

SEC. 4. The board of directors shall conduct the affairs of the association, subject only to the provisions of this constitution and the instructions of the association. They shall receive no compensation.

ARTICLE V.—*Meetings.*

SECTION 1. The regular meetings of this association shall be held at the University during commencement week of each year. Special meetings may be held upon the call of the board of directors, upon thirty days' notice.

ARTICLE VI.—*Dues.*

SECTION 1. The regular annual dues of the members of this association shall be one dollar for the academic year, extending from commencement day to commencement day, and shall be paid on or before the first day of January of each year.

SEC. 2. All active members of this association shall receive free all the publications of the association.

SEC. 3. To provide funds necessary for the prosecution of the work of the association, and to establish and maintain a permanent endowment fund, there is created the "endowment membership." A holder of an endowment membership shall pay into the treasury annually the sum of five dollars. A complete list of the holders of endowment memberships shall be published each year.

SEC. 4. Upon application, a fully paid up "life membership" may be issued to any member whenever he has paid into the treasury the aggregate sum of fifty dollars.

ARTICLE VII.—*Amendments.*

SECTION 1. This constitution may be amended at any regular meeting of the association by a three-fourths vote of the active members present.
